

Mangrove Preserve, Airport, Puerto Vallarta - \$76,472 USD

OVERVIEW

ABOUT THE PROPERTY

Mangrove Preserve is a truly unique project. Its privileged location nestled along the El Salado estuary means owners will enjoy an unparalleled view of its beautiful, dense vegetation, as well as the mountains and marina. Wake up to the sounds of birds greeting you. Feel the breeze that sweeps down from the mountains over the tree-tops, carrying oxygen from almost 200 hectares of protected mangrove. The Jazmin models are full-equipped efficiency studios located in the middle of each building. Despite their small size, the high ceilings give a great sensation of space. Jazmin models can be coupled with Gardenia models, making a 2-bedroom lock-off.
